Why S&T Global?

- **Affordable**
  - Utilize Company Tuition Reimbursement
  - Have a deferred tuition program
  - [https://distance.mst.edu/distance-tuition/](https://distance.mst.edu/distance-tuition/)

- **Accessible**
  - Courses delivered over internet via live streaming
  - Archived for review & access throughout semester

- **Achievable**
  - 4 courses to complete graduate certificate program
  - GRE/GMAT waived with completion of certificate
    - With a B or better in each of the 4 courses
  - 10 courses to complete master’s degree (includes certificate classes)
    - MBA: 12 courses
    - I/O Psychology: 14 courses
Why Missouri S&T?

“I can almost instantly apply something that I learned in class to my work the next day.”
– Margaret Bowman, MS Civil Engineering

“I have been a working professional for ten years. Under the traditional resident educational model, achieving a higher education degree would have been impossible.”
– Sean Myers, MS - Environmental Engineering & Certificate - Military Construction Management

“If you have to travel for work, you can still log in and participate in the class.”
– Tyria Riley, PhD Engineering Management

“I can almost instantly apply something that I learned in class to my work the next day.”
– Margaret Bowman, MS Civil Engineering
Why Missouri S&T?

#2
BEST VALUE ONLINE big data programs of 2016
